

Behavior Contract Video Example

hey Avery how are you today? Good Mrs. Smith.

00:09

good hey so I know that you've been

00:12

doing really well in class you've been

00:14

working really hard but we're kind of

00:16

we're not getting our homework turned in

00:18

every day have you noticed that it's

00:20

kind of been a problem yes yeah okay

00:23

well I'd like to talk about something

00:25

that we can do to make you more

00:28

successful and getting your homework

00:29

turned in what do you think yeah we

00:32

can do something all right cool

00:34

so I'm gonna show you what's called a

00:36

contract okay all this means is that

00:39

we're going to decide on something and

00:41

then if you follow through with it and

00:43

if I follow through with my end then you

00:46

get something when you reach your goal

00:47

that's cool yeah kind of cool huh all

00:50

right so but we got to talk about it we

00:52

have to hit the goal all right okay so

00:56

what do you think currently you're only

01:00

turning in your homework at least one

01:02

time a week okay we want it to be every

01:05

day but right now it's one time a week

01:07

what do you think is a good number of

01:10

days that you could turn in your

01:12

homework out of four out of five four out of five well that's a

01:17

lot that would be really cool but right

01:20

now we're only turning it in one day a

01:22

week what if we make a deal of two days

01:24

a week do you think that that's a good

01:26

deal ok yeah all right cool so two days a

01:29

week that's awesome

01:30

all right so if we turn in our homework

01:33

two out of five days then we going to

01:36

talk about some cool things that happen

01:37

if we make that okay so I'm going to

01:40

show you this right here this is our

01:43

sheet that we're gonna use every single

01:45

Week it is or daily sheet so every

01:48

day this is this is Monday Tuesday

01:51

Wednesday Thursday Friday

01:53

cool awesome so every day that you get a

01:57

check in the box so that you turn in

01:59

your homework okay so every time you

02:01

turn in your homework you to check in

02:02

the box when you do that what's

02:04

something else fun that we can do you

02:08

want a suggestion can I give you one Yeah

02:10

okay cool so you really liked it when I

02:14

talked to your mom and dad and tell all

02:15

the really cool things

02:16

that you're doing yeah so what if every day

02:19

that you had a check in the box we also

02:21

send a note home to your mom and dad

02:23

letting them know that you turned your

02:25

homework in is that cool yes

02:27

yeah okay awesome I think that

02:29

would be cool too okay so every day that

02:31

you get a check in the box you will get

02:34

what a note to go home yeah saying that you turned in

02:39

Your stuff cool all right awesome so if

02:43

you make your goal of two days out of

02:47

five turning in your homework what's

02:49

something even cooler that we can do if

02:53

I reach my goal we should we can do lunch in the

02:57

Classroom eat with a friend and free chrome book time oh and just any of those

03:05

choices any other choices okay so you're

03:08
cool with lunch with the friends playing
03:11
a game Chromebook time anything like
03:13
that right yes all right cool that
03:15
sounds really awesome I'm fine with that
03:17
I like that idea because you you really
03:20
like to spend time with your friends so
03:21
if you hit two out of the five days then
03:24
I am totally fine with you coming into
03:26
classroom and having free lunch time
03:29
with your friends and being able to play
03:31
a game and or possibly Chromebook cool yes
03:34
all right so let's fill out our contract
03:37
ready okay so the first thing on our
03:39
contract student name what's your name Avery
03:41
would you one would you like me to fill
03:43
this out or you fill this out me you okay
03:46
go ahead and write should I write my last name no you can just
03:49
write Avery that's fine and then once
03:54
you write your name then I'll take over
03:56
and write the rest okay okay awesome
04:00
perfect
04:01
okay we're going to go ahead and write
04:03
the date okay so the first part I

04:08

understand that my expectations are that

04:11

I will I'll reach my goal for two days

04:16

putting in my home Oh awesome job so I

04:19

understand that my expectations are that

04:21

I will turn in my homework for two days

04:29

awesome awesome each blank I

04:38

successfully display the behaviors

04:40

described above I will earn so each one

04:42

hour day week week week okay I will earn

04:47

all right let's do this

04:49

so each day I successfully display the

04:54

behaviors described above so each day

04:55

that you turn in your homework what do

04:59

you get remember here's this our daily

05:02

sheet so every day check a check mark

05:05

and what I could eat lunch in the classroom

05:11

oh that's if you get two days oh yeah okay so

05:15

one day would be a check mark in a note

05:17

to your mom and dad

05:20

to mom and dad right okay two days would

05:22

be the even cooler thing because that

05:23

would be you hitting your goal right

05:24

that's what we want okay so a check mark

05:27

and I note home awesome okay so each day

05:29

I successfully display turning in my

05:32

homework I will earn a check mark in a

05:35

note home cool okay if I am successful

05:38

turning in my homework for two days

05:42

let's see here for two days I will eat lunch in the classroom or free chrome book time

05:55

Friend with eating lunch okay awesome so if I am successful

06:01

so two out of five days turning in my

06:04

homework I will also earn lunch in class

06:06

or Chromebook time cool and with the

06:10

friend yes awesome this contract to

06:12

begin so let's go ahead and we're going

06:14

to start it tomorrow okay all right and

06:17

then it's going to end and a

06:19

week from now because what's gonna

06:21

happen is is we're going to check back

06:23

in after the end of this week

06:25

Monday Tuesday Wednesday Thursday Friday

06:27

we're gonna check back in and if you get

06:29

two out of the five of your days then

06:33

you would earn the lunch in the class

06:36

with friend or Chromebook time

06:38

cool so we'll check in at the end of

06:40

this what will happen is is each day

06:42

that we turn in our homework then I'll

06:45

if you turn it in then we'll come over

06:47

together and we'll check this off okay

06:49

awesome and if you don't get your two

06:52

days then we'll try again okay all right

06:55

so I'm gonna sign here are you good with

06:56

this contracts yeah you're good with it

06:58

all right awesome you go ahead and sign

07:00

give me your John Hancock perfect

07:07

awesome okay so we'll start this

07:10

tomorrow

07:10

deal awesome
