Good morning how are you how are you oh is this your sheet from yesterday

00:17

oh you got your signature on there let's start out with two bonus smiley faces thank

00:23

you for bringing that in so how are you doing today good i ate breakfast at my house
you

00:31

did what'd you have cheese oh cheese [laughs] and a pop tart and eggs cheese a pop
tart

00:38

and eggs that sounds excellent and [inaudible] [laughs] you have cereal yeah but it we
have

00:49

cereal today i'm not gonna eat because i'm all full oh ok see my belly you do seem full

00:56

this morning alright can you tell me what you're working on at school today don't

01:00

flip the lights off and on and keep the family safe and no throwing and keep your hands
and

01:10

feet safe and to be a good listener that's good and listen to all my teachers that's

01:16

very good and what do you get when you listen and keep things safe what are these
smiley

01:23

faces yeah very good okay so yesterday you earned about 15 smiley faces how many
do you

01:31

think you can earn today 15 ok say we're gonna say 15 if you get those 15 smiley faces

01:38

what do you want to earn watch you want to watch what would you like to watch all
kinds

01:46

of shows all kinds of shows so you one TV show today if you earn your 15 smiley faces

01:53

or two how about we say one for today and tomorrow we can work for another one two and

01:59

then the next time [inaudible] no we've got to work for one at a time would that be

02:06

ok so if you get your 15 smiley faces you can on your one TV show does that sound good

02:10

i want to watch rescue riders you want to watch Rescue riders that sounds great and

02:14

look you've already got two smiley faces to start you off alright take your sheet with

02:18

you and have a great day ok head on to class [inaudible] your class right there right down

02:23

the hall buddy head on down have a great day class it's time for lunch put up your workbooks

02:30
