hello mr. Kirby thank you so much for

00:18

coming in today no problem so we've been

00:22

talking about Marley and how she's

00:24

having a little bit of difficulty

00:26

raising her hand and then even if she

00:29

raises her hand she has trouble waiting

00:32

for me to call on her and stuff so I've created

00:34

this school home note for us to do at

00:37

school and then she's gonna bring it

00:39

home and then she's going to be able to

00:41

get a reinforcement if she makes her

00:45

goals so we created the goals raises her

00:49

hand to be called on and then she waits on

00:52

her teacher to call on her so if she meets

00:55

these goals and I'll put in the teacher

00:57

note then you will just send me a note

01:00

back of how you celebrated her meeting

01:04

her goals and then just sign it if you

01:06

have any notes you can put it right

01:08

there and then we just send it back with

01:09

do you have any questions no I can do that
