

00:00
let's discuss highly preferred materials
00:03
using highly preferred materials is
00:05
using the interests and preferences of
00:08
students in non preferred activities or
00:11
tasks activities and assignments that
00:14
students find unengaging are common
00:16
antecedents to problem behavior using
00:19
highly preferred materials may prevent
00:22
or reduce problem behavior and may make
00:25
those non preferred tasks or activities
00:27
more reinforcing let's look at some of
00:31
the benefits of using highly preferred
00:33
materials promotes learning and
00:35
engagement makes activities more
00:38
meaningful and relevant motivates
00:40
learners to participate in non preferred
00:42
activities and effective with escape in
00:44
or avoidance behavior
