Knowledge of School Operations	

### Reflection:

Which areas of expertise are currently represented on your team? What changes might you consider making to your current Tier 2 team?

## Part 2: Tier 2 PBS Team Composition

1. What might be important roles for your Tier 2 PBS members to serve? Who might serve each of these roles?

2. If you choose to create a new team, which team member will overlap between Tier 1 and Tier 2? How will you ensure consistent communication and collaboration between the teams?

3. If you create a subteam, what members from your Tier 1 behavior team might make up your Tier 2 behavior team? How will you ensure that these team members have enough time to fulfill responsibilities to both teams?

4. If you choose to extend the work of the academic RTI team to include Tier 2 behavior supports, what team members might you need to add to the team?

### Reflection:

After answering the four questions above, which team composition do you think is the best fit for your building ?
